

Technical drawing showing the cross-section and plan view of a drainage channel. The cross-section (left) shows a U-shaped channel with a width of 250,00 mm at the top, a depth of 45,00 mm, and a bottom width of 220,00 mm. The side walls are sloped with a radius of R4,00. The channel is mounted on a base with a height of 5,00 mm. The plan view (right) shows the channel's length with a total width of 275,00 mm and a channel width of 249,00 mm. The channel is shown in a perspective view at the bottom right.

The technical drawing shows a rectangular box with the following specifications:

- Main View (Top):** Shows a rectangle with overall width 554,00 and depth 250,00. The front face has a height of 115,00. The top edge features a chamfer labeled R4,00x4. The bottom edge has a radius R5,00x8. The side view shows a thickness of 20,00.
- Section A-A:** Indicated by arrows pointing to the front and back faces. It shows a cross-section with a total width of 250,00 and a central cavity with a width of 20,00.
- Section B-B (0,40 : 1):** Indicated by arrows pointing to the left and right sides. It shows a cross-section with a total height of 115,00 and a central cavity with a height of 110,00. The top edge has a chamfer R4,00x4. The bottom edge has a radius R5,00x4. The side view shows a thickness of 2,50.
- Dimensions:**
 - Overall width: 554,00
 - Overall depth: 250,00
 - Front face height: 115,00
 - Cavity height: 110,00
 - Side view thickness: 2,50
 - Bottom edge radius: R5,00x8
 - Top edge chamfer: R4,00x4
 - Central cavity width: 20,00

Technical drawing of a mechanical part showing front and side views with dimensions.

Front View (Top):

- Overall width: 35,00
- Overall height: 7,00
- Top radius: R5,50
- Bottom radius: 5,50

Side View (Bottom):

- Overall height: 113,00
- Top thickness: 5,00
- Bottom thickness: (5,00)
